
Technion Moodle – External user login

1. The site is located at <https://moodle.technion.ac.il/>
2. You can switch the site language to **he**-English:

3. In the upper right corner choose "Log in".

4. On the next page choose "External User account"

5. Type in your ID in both fields, ID Number and Password (if your ID includes letters, they all must be lowercase). Click "Enter" when finished.

A screenshot of the Technion login form. At the top is the Technion logo and the text 'Israel Institute of Technology'. Below this, it says 'Connect in one of the following ways:'. There are two buttons: 'Campus/Technion account' and 'External User account'. Below these buttons are two input fields: 'I.D. Number' and 'Password'. There is a checkbox labeled 'Remember my username'. At the bottom right is a blue 'Enter' button. At the bottom left is a link that says 'I forgot my login or password'.
